Enrolled Nurses who are currently enrolled with the Australian Health Practitioner Agency (AHPRA) can upgrade their existing qualification to the Diploma of Nursing (Enrolled/division 2 nursing) HLT51612 through ANMEC. Students who successfully complete this course may receive credit if entering a Bachelor of Nursing program in the higher education sector.

Before enrolling Students need to disclose all notations listed on their AHPRA registration.

Students may receive recognition depending on their experience and/or qualifications currently held. Applicants who have obtained relevant units of competence from another Registered Training Organisation will be granted recognition for this status under ANMEC’s policy of national recognition. There is no fee for this service.
Recognition of Prior Learning towards units of competence in the Diploma of Nursing qualification will be discussed with applicants and assessed on an individual basis. Students not already working as Enrolled Nurses in a relevant area of practice will be required to undertake clinical placement activities.
