

Primary Care Nursing Reference Group

Terms of Reference

The Australian Nursing and Midwifery Federation (ANMF) SA Branch Primary Care Nursing Reference Group will provide a forum for members to discuss Practice issues from a professional, industrial or service prospective.

The CEO/Secretary may request the advice or comment from the group on such matters as but not limited to

- Coronial outcomes
- Parliamentary review
- Staffing methodologies
- Service changes
- Professional practice standards and guidelines
- Education / curriculum standards and guidelines

Membership

Any ANMF (SA Branch) members interested in Primary Care Nursing Practice issues, and an ANMF (SA Branch) Officer will convene the forum.

Meetings

The group is to meet quarterly or as needed. Any issues that need to be addressed out of session are handled by email and /or teleconference.
