

Residential Aged Care Reference Group

Terms of Reference

PURPOSE

The Australian Nursing and Midwifery Federation (ANMF) SA Branch Residential Aged Care Reference Group will provide a forum for members to exchange knowledge and discuss aged care related practice issues from a professional, industrial or service perspective. The CEO/Secretary may request the advice or comment from the group on aged care related matters such as but not limited to:

- Legislative changes State and Federal
- Aged Care Reform
- Coronial outcomes
- Staffing methodologies
- Professional practice standards and guidelines
- Education / curriculum standards and guidelines

MEMBERSHIP

Membership to be identified through a call for expressions of interest and/or invitation to any ANMF (SA Branch) members with an interest in Residential Aged Care. The group will be convened by an ANMF (SA Branch) Officer(s).

MEETING FREQUENCY

The group is to meet quarterly or as needed. Any issues that need to be addressed out of session are handled by email and /or teleconference.

With you at work and in practice
